Re: Transmittal of Draft RI/FS Work Plan for AOC E at the Former NASD Facility
Vieques, Puerto Rico

Dear Mr. Wing:

On behalf of the Navy, CH2M HILL is pleased to transmitt three copies of the Draft RI/FS Work Plan for AOC E at the former NASD Facility in Vieques, Puerto Rico. Comments from EPA are requested in 30 days. The Mayor of Vieques has requested that the environmental work for the main compound area be expedited, because of the Municipality's planned development of the area. Field work is scheduled to begin in late March 2002. If additional time is needed to review this work plan, please let me know at your earliest convenience. Additionally, copies have been provided to LANTDIV, NSRR, NAVSOUTH, DOI, PREQB, the Special Commissioner for Vieques, the Technical Review Committee, and the Mayor of Vieques.

The number of copies for each person varies and is listed below.

Should you have any questions regarding the above, please do not hesitate to call me at 813-874-6522 ext. 4307.

Sincerely,

Martin J. Clasen, P.G.
CH2M HILL
Project Manager
